

Columbia Scientific,
LLC
Expanding the Possibilities of Neurorehabilitation

The Columbia 6000™

At last – A low cost, FDA cleared Dysphagia device from a company you know and trust, COLUMBIA SCIENTIFIC

For over 15 years, Columbia Scientific has been your partner providing products for the treatment of Dysphagia. You've seen Columbia help commercialize VitalStim Therapy™, and you've used the broadest selection of electrodes in your practice from Columbia.

- COLUMBIA 6000™ is available for under \$1000
- Compatible with all styles of FDA cleared Dysphagia electrodes
- Order item number 6000 or 6000B for your preferred electrode style
- Have an old, out of warranty hand held VitalStim Device? We have a trade-in program
